COMPLAINT

The United States of America ("Plaintiff") for the Farmers Home Administration ("FmHA") now known as Farm Service Agency (FSA) of the United States Department of Agriculture, through William D. O'Regan III as Attorney for the United States of America, for its cause of action alleges:

1.

Jurisdiction in this action is predicated on 28 U.S.C. §1345.

2.

Plaintiff is the holder in due course and owner of that certain promissory note ("Note") dated April 6, 2015, in the original principal sum of \$45,540.00, bearing interest at the rate of 2.375% per annum, payable in equal consecutive annual installments of \$7,174.00 on April 1, 2016, and \$7,174.00 thereafter on April 1 of each year until principal and interest are fully paid, made payable to the order of FSA by Defendant(s). A copy of the Note is attached as **Exhibit #1**.

3.

In order to secure their payment of the Note, Defendant(s) executed a UCC-1F Security Agreement ("Agreement") filed on April 6, 2015, covering the property more fully described therein. A copy of the Agreement as filed for record in the Records of Evangeline Parish, Louisiana, on April 6, 2015, under Registry Number 20-28547 is attached as **Exhibit #2, Exhibit 2-A, Exhibit 2-B and Exhibit 2C.**

4.

Defendant(s) are in default on payment due under the Note, the entire balance is now due and payable as a result of acceleration of maturity of the unpaid principal and interest by Plaintiff or by virtue of the terms for payment of the Note, and all conditions precedent to the commencement of this action have been satisfied.

5.

There is presently outstanding under the Note the principal sum of \$37,796.57, together with interest in the amount of \$883.26, accrued through October 31, 2018, plus additional interest accruing thereafter at the note rate.

WHEREFORE, PLAINTIFF PRAYS for judgment in its favor against Defendant(s), jointly, severally and in solido, for the amount(s) due and owing Plaintiff as set forth in Paragraph 5 above, plus additional interest to which Plaintiff may be entitled and all costs of this action;

PLAINTIFF FURTHER PRAYS that the Security Agreement and UCC-1F be recognized and maintained upon the property subject to the Security Agreement, and that said property be sold, with appraisal and according to law, at public auction to the highest bidder, and that out of the proceeds of said sale the Plaintiff be paid in preference and priority to all other

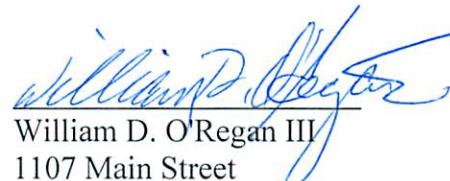

persons whosoever the amount of its claim in accordance with the terms of the Security Agreement, and that the amount realized from said sale be credited **pro tanto** upon the amount of the judgment herein; and

PLAINTIFF FURTHER PRAYS for all order and decrees necessary in the premises, and for all general and equitable relief to which it may be entitled.

RESPECTFULLY SUBMITTED,

14. Every payment made on any indebtedness evidenced by this note shall be applied according to priorities set in 7 CFR Part 765, or any successor regulation.

15. Prepayment of scheduled installments, or any portion of these installments, may be made at any time at the option of the Borrower. 16. Property constructed, improved, purchased, or refinanced in whole or in part with the loan evidenced by this note shall not be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. These security instruments shall continue to remain in effect and the security given for the loans evidenced by the described notes shall continue to remain as security for the loan evidenced by this note, and for any other related obligations.

19. If at any time it shall appear to the Government that the Borrower may be able to obtain financing from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and period of time, the Borrower will, at the Government's request, apply for and accept a loan in sufficient amount to pay this note in full and, if the lender is a cooperative, to pay for any necessary stock. The provisions of this paragraph do not apply if the loan represented by this promissory note was made to the Borrower as a nonprogram loan or a Conservation Loan.

21. Failure to pay when due any debt evidenced by this note or perform any covenant of agreement under this note shall constitute DEFAULT under this and any other instrument evidencing a debt of the Borrower owing to the Government or securing or otherwise relating to such debt; and default under any such other instrument shall constitute default under this note. Upon such default, the Government at its option may declare all or any part of any such indebtedness immediately due and payable.

22. This note is given as evidence of a loan to the Borrower made by the Government pursuant to the Consolidated Farm and Rural Development Act and for the type of loan as indicated in Item 8. 3. DEBTOR WARRANTS, COVENANTS, AND AGREES THAT:

- (a) Debtor is the absolute and exclusive owner of the above-described collateral, and any marks or brands used to describe livestock are the holding brands and carry the title, although the livestock may have other marks or brands, and such collateral is free from all liens, encumbrances, security and other interests except (1) any existing liens, encumbrances, security or other interests in favor of Secured Party which shall remain in full force and effect; (2) any applicable landlord's statutory liens; and (3) other liens, encumbrances, security or other interests previously disclosed to Secured Party in the loan application, farm operating plan or other loan documents. Debtor will defend the collateral against the claims and demands of all other persons.
- (b) Statements contained in Debtor's loan application and related loan documents are true and correct and that Debtor's name, as stated in the loan application and in this Security Agreement, is Debtor's complete legal name; and Debtor will (1) use the loan funds for the purposes for which they were or are advanced; (2) comply with such farm operating plans as may be agreed upon from time to time by Debtor and Secured Party; (3) care for and maintain collateral in a good and husbandlike manner; (4) insure the collateral in such amounts and manner as may be required by Secured Party, and if Debtor fails to do so, Secured Party, at its option, may procure such insurance; (5) permit Secured Party to inspect the collateral at any reasonable time; (6) not abandon the collateral or encumber, conceal, remove, sell or otherwise dispose of it or of any interest in the collateral, or permit others to do so, without the prior written consent of Secured Party; (7) not permit the collateral to be levied upon, injured or destroyed, or its value to be impaired, except by using harvested crops in amounts necessary to care for livestock covered by this Security Agreement; and (8) maintain accurate records of the collateral, furnish Secured Party any requested information related to the collateral and allow Secured Party to inspect and copy all records relating to the collateral.
- (c) Debtor will pay promptly when due all (1) indebtedness evidenced by the Note and any indebtedness to Secured Party secured by this Security Agreement; (2) rents, taxes, insurance premiums, levies, assessments, liens, and other encumbrances, and costs of lien searches and maintenance and other charges now or later attaching to, levied on, or otherwise pertaining to the collateral or this security interest; (3) filing or recording fees for instruments necessary to perfect, continue, service, or terminate this security interest; and (4) fees and other charges now or later required by regulations of the Secured Party.

- (f) Secured Party may at any time pay any other amounts required in this instrument to be paid by Debtor and not paid when due, including any costs and expenses for the preservation or protection of the collateral or this security interest, as advances for the account of Debtor. All such advances shall bear interest at the rate borne by the Note which has the highest interest rate.
- (g) All advances by Secured Party as described in this Security Agreement, with interest, shall be immediately due and payable by Debtor to Secured Party without demand and shall be secured by this Security Agreement. No such advance by Secured Party shall relieve Debtor from breach of the covenant to pay. - (h) In order to secure or better secure the above-mentioned obligations or indebtedness, Debtor agrees to execute any further documents, including additional security instruments on such real and personal property as Secured Party may require and to take any further actions reasonably requested by Secured Party to evidence or perfect the security interest granted herein or to effectuate the rights granted to Secured Party herein.

4. IT IS FURTHER AGREED THAT:

- (a) Until default, Debtor may retain possession of the collateral.
- (b) Default shall exist under this Security Agreement if Debtor fails to perform or discharge any obligation or to pay promptly any indebtedness secured by this Security Agreement or to observe or perform any covenants or agreements in this Security Agreement or in any supplementary agreement contained, or if any of Debtor's representations or warranties herein prove false or misleading, or upon the death or incompetency of the parties named as Debtor, or upon the bankruptcy or insolvency of any one of the parties named as Debtor. Default shall also exist if any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands, as described in 7 CFR Part 1940, Subpart G, Exhibit M or any successor regulation. Upon any default:
 - (1) Secured Party, at its option, with or without notice as permitted by law may (a) declare the unpaid balance on the Note and any indebtedness secured by this Security Agreement immediately due and payable; (b) enter upon the premises and cultivate and harvest crops, take possession of, repair, improve, use, and operate the collateral or make equipment usable, for the purpose of protecting or preserving the collateral or this lien, or preparing or processing the collateral for sale, and (c) exercise any sale or other rights accorded by law. Secured Party may disclaim all warranties relating to title, possession, quiet enjoyment, merchantability, fitness or the like in any disposition of the collateral;
 - (2) Debtor (a) agrees to assemble the collateral and make it available to Secured Party at such times and places as designated by Secured Party; and (b) waives all notices, exemptions, compulsory disposition and redemption rights;
 - (3) A default shall exist under any other security instrument held by Secured Party and executed or assumed by Debtor on real or personal property. Likewise, default under such other security instrument shall constitute default under this Security Agreement.
- (c) Proceeds from disposition of collateral shall be applied first on expenses of retaking, holding, preparing for sale, processing, selling and the like and for payment of reasonable attorneys' fees and legal expenses incurred by Secured Party, second to the satisfaction of prior security interests or liens to the extent required by law and in accordance with current regulations of the Secured Party, third to the satisfaction of indebtedness secured by this Security Agreement, fourth to the satisfaction of subordinate security interests to the extent required by law, fifth to any obligations of Debtor owing to Secured Party and sixth to Debtor. Any proceeds collected under insurance policies shall be applied first on advances and expenditures made by Secured Party, with interest, as provided above, second on the debt evidenced by the Note, unless Secured Party consents in writing to their use by Debtor under Secured Party's direction for repair or replacement of the collateral, third on any other obligation of Debtor owing to Secured Party, and any balance shall be paid to Debtor unless otherwise provided in the insurance policies. Debtor will be liable for any deficiency owed to Secured Party after such disposition of proceeds of the collateral and insurance.
- (d) It is the intent of Debtor and Secured Party that to the extent permitted by law and for the purpose of this Security Agreement, no collateral covered by this Security Agreement is or shall become realty or accessioned to other goods.
- (e) Debtor agrees that the Secured Party will not be bound by any present or future State exemption laws. Debtor expressly WAIVES the benefit of any such State laws.
- (f) Secured Party may comply with any applicable State or Federal law requirements in connection with the disposition of the collateral and compliance will not be considered to adversely affect the commercial reasonableness of any sale of the collateral.
- (g) This Security Agreement is subject to the present regulations of the Secured Party and to its future regulations not inconsistent with the express provisions of this Security Agreement.
- (h) If any provision of this Security Agreement is held invalid or unenforceable, it shall not affect any other provisions, but this Security Agreement shall be construed as if it had never contained such invalid or unenforceable provision.
- (i) The rights and privileges of Secured Party under this Security Agreement shall accrue to the benefit of its successors and assigns. All covenants, warranties, representations, and agreements of Debtor contained in this Security Agreement are joint and several and shall bind personal representatives, heirs, successors, and assigns.

Initial RW KRW Date 4/6/15

FSA-2028 (11-12-14)

- (j) If at any time it shall appear to Secured Party that Debtor may be able to obtain a loan from other credit sources, at reasonable rates and terms for loans for similar purposes and periods of time, Debtor will, upon Secured Party's request, apply for and accept such loan in sufficient amount to pay the Note and any indebtedness secured by this Security Agreement. Debtor will be responsible for any application fees or purchase of stock in connection with such loan. The provisions of this paragraph do not apply if the Note secured by this Security Agreement is for a Conservation Loan.
- (k) Failure of the Secured Party to exercise any right, whether once or often, shall not be construed as a waiver of any covenant or condition or of the breach of such covenant or condition. Such failure shall also not affect the exercise of such right without notice upon any subsequent breach of the same or any other covenant or condition.
- (l) SECURED PARTY HAS INFORMED DEBTOR THAT DISPOSAL OF PROPERTY COVERED BY THIS SECURITY AGREEMENT WITHOUT THE CONSENT OF SECURED PARTY, OR MAKING ANY FALSE STATEMENT IN THIS SECURITY AGREEMENT OR ANY OTHER LOAN DOCUMENT, MAY CONSTITUTE A VIOLATION OF FEDERAL CRIMINAL LAW.**
- (m) Debtor(s) acknowledge(s) that Secured Party loaned money to me/us to purchase items of collateral that serve as security for my/our loan, thereby, giving Secured Party a Purchase Money Security Interest in those items of collateral listed in Part 2. (c) or (d) with an asterisk*.
